

Three Minute Start Sequence for 2 fleets (Slow & Fast Handicap start together then Lasers)

Applies at the Race Officer's discretion when THREE or less Slow Handicap boats are racing

Flags 'P'(Prep), 'X (Individual recall), 1st Sub (General Recall), 'AP' (Postponement), 'S' (Shorten Course) and Black Flag are permanently attached to their halyards.

The centre halyard is continuous with two flag fixings (as one is hoisted the other comes down).
This halyard is used when signal flag changes are required

EVENT	FLAG	ACTION	DESCRIPTION
Pre-Start sequence procedure		↑	SWITCH ON THE POWER- Radio, Timer and Autohoot are all powered up. Attach the Orange Flag on the centre halyard - hoist when the line is set. Then -
			Attach Yellow Handicap 'H' Flag to lower fixings on the centre halyard This is the combined Slow and Fast fleets pennant

Flag Sequence at the Start

The Timer will start automatically when the Autohoot is switched to begin the timing sequence
CHECK/RESET the Timer to '00.00' BEFORE starting the automatic hoot sequence (ie-at '0 minutes')
