

WWSC Race Instruction Sheet

Opening the Laptop and Program

- Open the computer cabinet located in the Training Room
 - The key is kept in the door of the club key safe
- Turn on the mains power to the cabinet
 - The mains control unit is a timer located alongside the cabinet
 - Set the timer for 6 hours
- Open and switch on the laptop
 - When the screen saver picture appears select the 'Enter' key
- The program is opened up and the screen layout below appears ready for race entry

- Enter your FULL sail number and select 'Enter Race'

Closing the Program and Laptop

- Click the 'X' button at the TRHC of the laptop screen
- Double click the 'Shutdown Computer' icon on the desktop.
- Close the laptop lid and slide the drawer into the cabinet
 - Do NOT disconnect the laptop
- Lock the cabinet and return the key to the door of the club key safe
- Turn off the power at the timer by pressing the green 'Power' button
